SUMMER SAVVY JUNE 2020

WITH

Dave Ellis

Parelli 6 Star Master Instructor

And **Jody Grimm Ellis**

Parelli 3 Star Instructor

Rolling Oaks Farm in Salem WI.

Preparation & Actual Cattle

Thursday, Friday, Saturday, 6-4 to 6-6

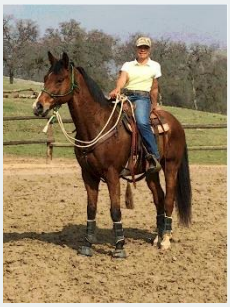
This clinic segment will set you up to clearly evaluate your horsemanship skills with a subject that won't lie to you, A COW! Whether you ever wanted to be a cowboy or not, these three days will cause you to take an honest look at your relationship with your horse by applying your Savvy and your horse's responses to another living, breathing creature. You horse will tell you the degree of trust and respect between the two of you, and the cow will tell you whether you are able to positively influence her or whether she just shrugs and does what she wants. Both Jody & Dave will be passing out advice in equal doses. What a concept!

The first day, Thursday**,** we'll prepare for the cattle by examining which Parelli game works best in various situations. Which Parelli Principle will be in affect at different stages of our movements. The second & third day will allow us to actually apply what we've been studying and to actually witness the effectiveness of our Savvy.

Along with all of that, we'll have more fun than you can possibly imagine!

Liberty & Finesse

Sunday, Monday, Tuesday, 6-7 to 6-9



This combination clinic will feature both Jody and Dave teaching Liberty one on one throughout Sunday and Monday mornings. Each day Jody and Dave will adjust their schedule to allow all participants to study with each of them getting the maximum learning from two approaches to Liberty. Then we'll all take a good look at our Finesse both afternoons.

Tuesday the entire day will be devoted to Finesse and Jody Grimm, Linda Parelli's newest Finesse Specialists will be conducting this segment sharing the expanse of information and skill that she has gleaned over 2019 from Linda and various other world class professionals. You'll find that Jody Grimm is able to start folks down the best road to their Finesse as well as tune up the more advanced. You'll also find Finesse to be as much an attitude as technique; so all can enjoy it. Dave will be assisting Jody to the best of his ability this last day of the clinic.

Both Jody & Dave will be available for both private and semi-private lessons.

Lessons with Parelli Natural Horsemanship 2 Star Instructor

Ted C. Axton

In August 2009, Ted realized a long time dream of becoming a Parelli Natural Horse*Man*Ship Instructor.
Ted has successfully completed his Level 4 Finesse in All 4 Savvy's.
Check out his personal website at:
www.tedaxton.net
and his official Parelli webpage at:
http://professionals.parelli.com/professionals-etails/?member_id=360

As a Licensed PNH 2 Star Instructor, Ted is home based at Rolling Oaks Farm in Salem, WI. Ted is available for PNH Lessons whether you are looking to improve your horsemanship & relationship with your horse in general or are specifically looking to be better prepared for the David & Jody Ellis Clinic. Ted will not be giving lessons during the Clinic.

==#==

I offer lessons @ $40/ session; typically 45 minutes for private lessons and $30/ session for semi-private lessons. For semi-private lessons, so as to make sure we are giving each student the best opportunity for equal attention and information, I would like to strive for semi-private lessons to be shared by folks that have similar levels of proficiency in PNH. Although I am authorized to teach up to 4 people in each class for up to 6 hours, generally speaking I would like to keep it to a maximum of 2 people; there will be exceptions especially with a familiar homogeneous group.

I also have a "6 for 5" package deal available. For instance, if someone is willing to make the commitment to The Parelli Natural Horsemanship Program (PNH) and pay up front for lessons to be taken within 6 months, then they only pay for 5 lessons and the 6th lesson will be free. With the pricing as shown above, the Private Lesson Package would be 6 lessons for $200 and the Semi Private Package would be 6 lessons for $150.

We will be hosting Play Days at Rolling Oaks Farm. In addition to our new 72' x 208' indoor arena, we have 40 acres of rolling farm land to ride. Play Days are an opportunity for 1 to 4 PNH Students and their horses to 'get away' for a full day of immersing themselves in this thing we call "Parelli". A typical day will run from 9:00AM to 4:00PM with a 1 hour break for lunch. There are no preconceived notions of how these Play Days will be structured; each Play Day will be individualized to match what the Student(s) wants/needs to assist in their individual "Journey". To assure the Student(s) get the most possible out of the experience, we want to have a pretty good idea of the types of things we will be covering well before the actual Play Day. Nonetheless, we will remain flexible to address 'needs' that arise that day. The fee for Play Days is $200 a day for 1 Student; for more than 1 Student, the fee is $150 for each Student.

The undersigned Participant/Spectator/Visitor/Guest/Client (collectively "Participant"), on his/her own behalf and as the Parent(s)/Legal Guardian(s) of a minor Participant, for good and valuable consideration, agrees to the following terms and conditions of this Release, Waiver, Hold Harmless, and Indemnification Agreement ("Agreement"):

1. **Assumption of Risk and Waiver:** Participant understands and accepts the risks of engaging in equine activities and merely being near a horse, mule, or pony (collectively "equine"), including: (i) The propensity of an equine to behave in ways that may result in injury, harm, or death to persons on or around them;(for example, jump, run, kick, buck, bolt, spin, rear up, strike, bite); (ii) The unpredictability of an equine's reaction (for example, kick, buck, bolt, spin, rear up, strike, or bite) to sounds (for example, machinery, equipment, shots fired, training devices, doors opening and closing, snow and ice falling, rain, wind, thunder, voices, music), sudden movement, and unfamiliar objects (for example, training devices, horse trailers, jumps, barrels, bridges, balls), persons, other animals, or other things; (iii) Certain hazards such as surface and subsurface conditions; (iv) Collisions with other equines or objects; (v) The potential of a participant to act in a negligent manner that may contribute to injury to the participant or others, such as failing to maintain control over the animal or not acting within his or her ability. Participant understands the resulting injuries, death, and property damage that may result from the accepted risks of engaging in equine activities or just being near an equine, that equines are powerful and have the potential to be dangerous, even without warning, and that the risks listed in this Agreement are just a sampling and Participant is not relying on Released Parties (defined below) to list all possible equine-related risks. Participant therefore agrees, on his/her own behalf (and for the minor Participant), that he/she understands the risks and dangers inherent in equine activities and agrees to assume them on his/her own behalf (and for the minor Participant), to at all times to be responsible for his/her personal safety, remain financially responsible for his/her medical expenses, and waives Participant's right to any claims arising from participation in or observation of any equine activities, riding an equine belonging to Released Parties, or any other third party, whether on or off the property where the equine is stabled, being near an equine, or merely being present on real property owned, leased, visited, ridden upon, or otherwise occupied by Released Parties, regardless of whether Participant's presence on the real property is related to equines or Equine Activities.

2. **Release, Hold Harmless, Indemnification:** Participant agrees to release and hold Ted Axton, Vickie Axton, Angela Axton, their respective heirs, relatives, guests, visitors, invitees, trainers agents, and assigns, and others acting on their behalf, as well as Savvy Horse Adventure, LLC, Angela's Equine Solutions, Angela's Sports Massage Therapy, and their respective employees, volunteers, independent contractors, guests, visitors, invitees, trainers, agents, and assigns and others acting on their behalf, as well as the owners, tenants, or other occupiers of land where the Loss occurred (collectively "Released Parties"), harmless for any and all illness, injury, death, damage, and/or any and all other claims or losses of any kind or nature incurred by Participant ("Loss") even if caused in whole or in part by the negligence or any other fault of the Released Parties, except willful and wanton misconduct. Participant agrees to indemnify Released Parties against Loss suffered by any third party, whether caused by Participant directly or indirectly, and which includes reimbursement of Released Parties' attorneys' fees even if caused in whole or in part by the negligence or any other fault of the Released Parties, except willful and wanton misconduct.

3. **Governing Law and Time Limitation:** The Parties agree that this Agreement shall be construed and enforced in accordance with the laws of the State of Wisconsin and all disputes relating to the interpretation and enforcement of this Agreement, whether for monetary damages or equitable relief, and whether for breach of contract, negligence, or any other claim or cause of action, shall be resolved exclusively by the State Court in Kenosha County, Wisconsin. The Parties hereto submit to this jurisdiction and venue for these purposes. Participant agrees that any and all claims and/or causes of action, for injury, death, property damage, and/or any and all other claims or losses of any kind or nature by Participant, on his/her own behalf and/or on behalf of a minor Participant, against the Released Parties, must be brought within one (1) year of the date they accrue and any claim for personal property Loss is limited to $500.00 (Five Hundred Dollars).

4. **Attorneys' Fees**: Participant agrees to reimburse Released Parties for any and all attorneys' fees and costs he/she/it incurs in enforcing the terms of this Agreement and/or in defending or prosecuting any claims or causes of action involving or in any way relating to Participant.
